

Guidelines for the parallel invited session for the International Conference on “Sustainable Innovations in Drug Development-SIDD-2025”

Presentation Duration: Each delegate will have 15 minutes for their presentation, followed by 5 minutes for Q & A.

Content Layout Clarity: Ensure the presentation includes a title, author, affiliation, young scientist presentation number, date, introduction, methodology, results, and conclusion with clear visuals and legible fonts.

Slide Submission: Please submit your presentation (the file name should be your parallel invited lecture) at the conference registration desk.
