### Details:

A blood donation drive to commemorate 72nd foundation day in the memory of Shri Indravadan modi was organized in association with Red Cross Society at Indrashil University, Rajpur. Students at School of Pharmacy actively participated in voluntary blood donation in association with Red Cross Society. Total 7 students at School of Pharmacy voluntarily donated blood while 1 student participated as volunteer. The donors were then issued with a certificate of appreciation from the Red Cross blood bank. Various blood groups such as A positive, B positive, O positive were donated by the volunteers and rare blood group such as AB positive, O negative and B negative were donated by the volunteers which was highly appreciated by the Red Cross blood bank team.

*Donors actively donating the "Gift of Life".*
