Admission to Ph.D. Programme

Online and offline applications are invited from eligible candidates for the admission in PhD programme for the academic year 2021-2021

Research areas

Inter-disciplinary, application oriented research in the cutting edge areas of Biosciences and chemistry (such as Nanobiotechnology, Organic Chemistry, Biotechnology, Microbiology, Zoology), Chemical and Biochemical Engineering, Mechanical Engineering, Computer Science Engineering with a goal to enrich the human and environmental life.

Selection Process

All candidates with minimum 55 % in a relevant area of Master's degree are encouraged to apply. Shortlisted candidates will be called for PhD Entrance Test (PET) and only candidates qualifying in written test they will be requested to appear for a final interview.

NET-JRF qualified candidates (CSIR/UGC/ICMR/ICAR/GATE/DBT/DST INSPIRE) will be exempted from the written test and will be required to appear directly for the interview. Candidates with valid fellowships from other equivalent state and national level fellowships are also encouraged to apply. The final dates of the interview will be communicated after the last date of application to the PhD program.

Only shortlisted candidates will be called for an interview for selection. No TA/DA will be provided to candidates for appearing in the interview.
