"Sustained Excellence with Relevance"

(Established by an Act under the Gujarat Private Universities Act, 2009)

— Invitation —

SEMINAR
ON
**SCIENCE AND TECHNOLOGY
FOR
SUSTAINABLE FUTURE**

— 27th April, 2018 —

Ahmedabad Management Association (AMA),
Panjrapole, Vastrapur, Ahmedabad

Time: 09:00 am to 02:00 pm

Indrashil University

Indrashil University is a CSR initiative of Cadila Pharmaceuticals Ltd., actively involved in implementing social and philanthropic activities primarily in the fields of education and healthcare and is established by an Act of State Legislature of Gujarat as a State Private University under Gujarat University Act, 2009. The University is committed to realize its mission through excellence in teaching, research, high quality education and training for students and professionals in the Life Sciences and allied areas with an objective to prepare them as sector specialists in regional and global arena. The University is first of its kind institution dedicated to Life Sciences with focus on Academics, Research and Innovation.

School of Sciences

The School of Sciences at Indrashil University will offer undergraduate, postgraduate and doctoral programs in Sciences. It aims at nurturing and honing young, ambitious minds towards sciences and its challenges, by integrating classroom learning with research. The course structure allows ample opportunity for multidisciplinary interactions which helps gain an all rounded perspective for the students. In order to aid that perspective, the school also has extremely experienced and highly motivated faculty with a strong passion for sciences and research, leading the team of enthusiastic students.

School of Engineering

The School of Engineering at Indrashil University will offer degree programs at the undergraduate and doctoral levels, with an extensive range of specializations. These programs are designed in a manner where the focus is to inculcate multifaceted skills in a student. They learn to develop analytical and entrepreneurial skills with an interest in research and experimental abilities, which will help them gain an advantage among their peers in the industry.

INDRASHIL UNIVERSITY

Request your gracious presence in the

SEMINAR ON SCIENCE AND TECHNOLOGY FOR SUSTAINABLE FUTURE

on Friday, 27th April, 2018 at 09:00 am
at Ahmedabad Management Association, Panjrapole, Vastrapur, Ahmedabad

— Chief Guest —

Shri Bhupendrasinh Chudasama

Hon'ble Minister for Education
